

ELECTRONIC DEVICES

Students may carry electronic communication devices (cell phones) but must be turned off and out of sight during school hours. The use of an interfering device or electronic communication device to threaten, intimidate or embarrass another or to capture and transmit test information or any other information in a manner constituting fraud, theft or academic dishonesty, will result in suspension. The school shall not assume responsibility for theft, loss, or damage of a cell phone, I-pod, or any other electronic communication or interfering device or unauthorized calls made on a cell phone while it is in the student's possession (person, locker, backpack, etc).
